

ANNUAL REPORT

July 2023 – June 2024

WHAT WE DO

CART provides consumers and their family members with greater transit access to community events and activities within Stanislaus County, such as: committee meetings, peer-support groups, and or employment/ training while navigating the CART system to schedule these needs. Also, CART provides unique transportation support identified as Managed Care Rides. This is provided to clients that may be adults and children coming from hospitals or other institutions throughout California to locations identified as continuing care in Stanislaus County. CART is not a replacement for public transportation.

WE OPERATE AS A TRANSIT SERVICE THAT PROVIDES GREATER ACCESS TO COMMUNITY EVENTS.

OUR SERVICES INCLUDE:

Building consumer confidence in community engagement

Sensitivity, empathy and a listening ear to help with individuals' fears and barriers

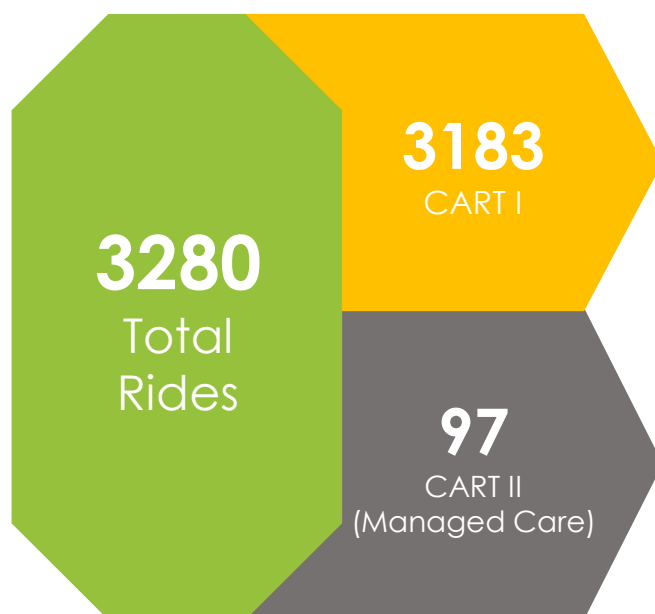

Coordination with hospitals, institutions, BHRS programs, and other agencies

Transportation to community events and activities
