

Housing Assessment Team (HAT) **ANNUAL OUTCOMES REPORT**

July 2023 - June 2024

WHAT WE DO

HOUSING ASSESSMENT TEAM (HAT) works in collaboration with other community partners, recognizing that a whole-person approach is required in order to support and assist individuals out of homelessness. HAT has first contact with individuals who walk into the program, identifying needs, providing resource information and connecting them to local services.

HAT utilizes Coordinated Entry to identify prioritized clients (who are the most vulnerable) and connect these individuals with housing interventions, as well as support them with navigation.
